

TRACER, Article Index, 1979-2008

by Jim Dempsey

For ease of use, the articles are grouped by categories. Some titles can be misleading or content is not clear, so the title was paraphrased, that is, it does not represent the exact title as printed. The words in the title were rearranged in some cases to start with a significant keyword and sorted alphabetically. The index is available at www.hcgsohio.org on the **Research Aids** page.
